Weatherly Insurance

Thanks also to Pepsi for the soda and water, and to Belk, Colony Tire, Montero's, Philip Alden, Red Cross, The Carolina Club, and The Pointe Golf Club for the special raffle items.

Thank you to all who sponsored or played today. The reality is that your Food Bank is able to provide five pounds of food for each dollar raised. In 2008, the Food Bank provided over 3,200,000 pounds of food to the hungry and needy in 15 northeast North Carolina counties.

Finally, thanks to The Pointe Golf Club staff for the hard work to make the event happen.
